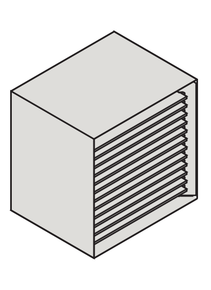
BOX 4



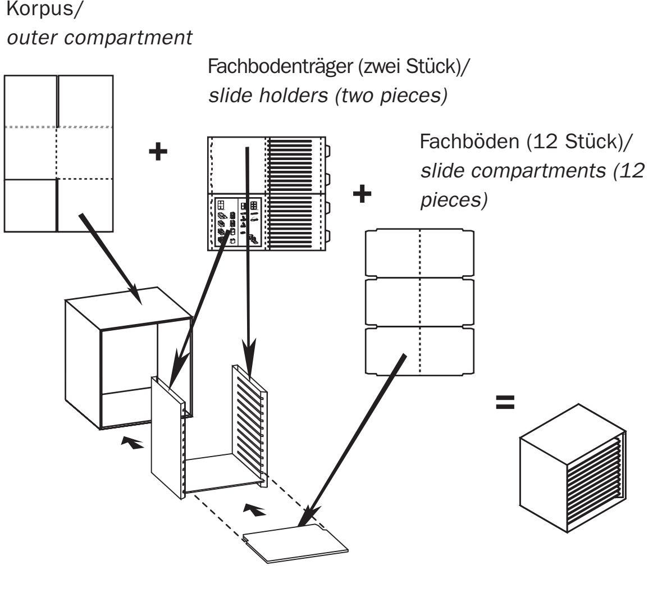
Zusammensetzung

composition

Korpus/
outer compartment

Fachbodenträger (zwei Stück)/
slide holders (two pieces)

Fachböden (12 Stück)/
slide compartments (12 pieces)



Faltung

assembly

BOX 4 Fachbodenträger und Fachböden

BOX 4 slide holders and slide compartments

Der Korpus der BOX 4 wird wie in Schritt 1-10 abgebildet gefaltet.

Die 3er Sets der Fachböden werden an der Perforation voneinander getrennt, in der Mitte geknickt und in die Nuten der Fachbodenträger gesteckt.

The outer compartment of BOX 4 is folded as shown in step 1-10.

The slide compartments have to be separated from eachother, bent in half and slid into the slide holders.
